

Summerfields News & Events

Starting in May 2014 'Pets As Therapy' will be visiting our residents every 2 weeks until the end of 2014. We have tried out this activity on a monthly basis and it has proved a big success with all who stay at Summerfields.

Every month we have a musical entertainer visit Summerfields to entertain our residents. The musical afternoons range from 40's up to the 60's and sometimes a little 70's and 80's music. Our resident's enjoy these afternoons a lot. Watch out X-Factor, we do have some very good singers and dancers!!

Up to June 2014, we will be having film matinee afternoons in our Activity Room. The cinema experience is brought to Summerfields one afternoon a month. We started this activity in September 2013 and we still have lots of residents who come to see the film every month. So far we have mainly had musical films but have also done some comedy such as Carry On Films every so often.

Every Tuesday we hold a Reading Group in the Activity Room. The group is run by the Reader's Organisation on behalf of the NHS. Each week Michael brings a variety of poems for the residents to read and to discuss. This activity also helps with reminiscence and encourages social interaction with our residents.
